

Update to number of players advancing to Top Cut in the Pokémon TCG Division

We previously announced that 16 players would advance from the Qualifier to the Top Cut of the Pokémon TCG Division event on June 18. However, we'd like to update that only the Top 15 players from the Day 1 Qualifiers will advance to Top Cut (which will still be a 16-players Top Cut, as previously announced).

(Corrected) 15 players from the Qualifier

← (Before correction) 16 players from the Qualifier

This is because the final and 16th spot in the Top Cut is reserved for the Winner of the Pokémon TCG Asia EN Open 2022, held last December.

We would like to apologize on the oversight to all players interested in the event, and we look forward to your participation.
